Courses 3 credits or less will only fulfill part of a credit for a year long course and an additional course in that category will need to be taken to satisfy the requirement. Example: U.S. history is a year long, 1 credit course at STEP, if the college course is only 3 credits, a second U.S. history course will have to be taken to earn the full credit.</b></p> |   |  |   |   |   |   |
